

Put AI to work inside your team. In a day.

<p>WALK IN</p> <h2>Where most teams start.</h2> <hr/> <ul style="list-style-type: none"> 01 You know AI matters. You want to see what it actually does in your work. 02 Fragmented data living in five different tools. 03 Manual work eating hours that shouldn't exist. 		<p>WALK OUT</p> <h2>Custom AI workflows running.</h2> <hr/> <ul style="list-style-type: none"> 01 Automated AI workflows custom-built around your actual processes. 02 A centralized intelligence hub where your data, tools, and context talk to each other. 03 The skills to build more, so your team extends the system themselves.

01 The Day

<p>STEP 01</p> <h3>Foundation</h3> <p>Ground-set on what's actually changing in AI, why context is everything, and how to think about it inside your own work.</p>	<p>STEP 02</p> <h3>Possibilities</h3> <p>See what other teams are building. Identify the highest-leverage workflows in your own business.</p>	<p>STEP 03</p> <h3>Setup</h3> <p>Install the tools, load your voice and processes into a persistent context layer, connect your data sources.</p>	<p>STEP 04</p> <h3>Build</h3> <p>Stand up your first live AI agent with hands-on guidance. Walk out with it running.</p>

02 What Your Team Could Automate

<p>01 · COMMS</p> <h3>Inbox Triage</h3> <p>Surface the 20% of emails that need your judgment. Draft responses to the rest in your voice.</p>	<p>02 · RESEARCH</p> <h3>Research & Diligence</h3> <p>Turn pitch decks, websites, and press into structured briefs with flagged gaps and sourced citations.</p>	<p>03 · MEETINGS</p> <h3>Meeting Intelligence</h3> <p>Transcripts automatically become summaries, action items, and dossier updates.</p>
<p>04 · OUTREACH</p> <h3>Personalized Outreach</h3> <p>Drafts that pull from real context: last touchpoint, shared history, current situation.</p>	<p>05 · NETWORK</p> <h3>Relationship Intelligence</h3> <p>Query your network in plain English. "Who do we know in the Bay Area, investor, Series A, in food?"</p>	<p>06 · REPORTING</p> <h3>Auto-Assembled Reports</h3> <p>LP updates, board decks, client briefs: drafted from source data with narrative summaries.</p>
